WHY TAALPATA

1. Design principle

This design focuses on the following principles.

Advancement

As the development of Laptop technology, the advancement should be considered to ensure the leading position of product in a certain period and lengthen its life cycle.

Practicality

Our design adopt advanced and mature technology to ensure product's stability, reliability and maintainability.

Economic Efficiency

With the precondition of ensuring the technical advancement of Digital Devices & system, we, make our efforts to reduce engineering and facility costs, improve system performance to guarantee investment benefit of the project owner.

2. Climate data

Site name: Bangladesh

Sunshine: 4.9 hours/day

Annual mean temperature :

24.8 °C

3. Battery Power

With the limited Electrical power in Gram Bangla of ensuring the technical advancement of Digital Devices & System, we, make our efforts to provide high efficiency Laptops Battery to last 7-days with a single charge as Internet ready to guarantee the network connection without a Broadband.

Technology is constantly disrupting our life and lifestyle; blurring boundaries of nations and nationalities; creating a networked population of our planet. This also reinforces the need to stay firm to our roots;

Redefine and renew our own identity to reveal our momentous journey through the millenniums. While searching for a name to brand our multiple range of laptop products at DataSoft, we aspired to source our inspiration from our roots. Hence our Laptops are Taalpata. Why Taalpata? Some of the oldest evidence of the scholarly knowledge and wisdom of our ancestors are their manuscripts on Taalpata or palm leaf;

Reflective of our age-old civilization we take pride on. Some of our Talpata manuscripts dates back to 7th century. The archive of our University of Dhaka has a collection of manuscripts of early 14th century on Taalpata.

From Taalpata to Laptop and then....where? Let's look forward with the timeless time and the technology unbound – wish, only for the benefit of mankind!

DMA is certified with ISO management system standards such as ISO 14001 (Environmental) and OHSAS 18001 (Health and Safety). The ESQ Certification provides an integrated management system of our Business and Operation. The ISO 9001 Certification helps the DMA staff to improve the performance of the Company towards competitors.

Provides:

3-years warranty of all LAPTOPS

TAALPATA

YOGA-BHO

2in1 Laptop/Notebook Touch Screen-13 inch

Available Always Connected PC Model

- Slim Stylish
- Always On
- Snapdragon
- GSM/4G LTE READY
- 13.3" " HD LED
- Touch + Pen
- Convertible

Model number: WA03
Model description: 13.3" Notebook Windows 10 in S mode
CPU: Qualcomm SC8180X
GPU: Integrated Qualcomm A660 GPU
RAM: 4GB (optional 8GB) LPDDR4
ROM: 64GB, (optional 128/256GB) UFS2.1
Case: A sides Metal case, C & D side Plastic case, B side glass cover Lens
Display resolution: 1920*1080 FHD IPS with Touch Screen
I/O: L:AUX *1, Type C 3.0 *2 (Display Port)
R:Type A 3.0 *1
Slot: Micro SD Card*1 / Nano SD1 Card*1
Bluetooth: 5.0
Wi-Fi: 802.11 b/g/n/ac
WAN: LTE 4G (Global Band)
5G NR Sub-6 (Global Band)
5G mmWave
Camera: Front 720P, f2.8
Battery: 7.6V/5000mAh X 3Cells
Accessories: 12V 2.5A PD Adapter/user manual

TAALPATA

YOGA-BHO

2in1 Laptop/Notebook Touch Screen-14 inch

Type	Descriptions
Product Form	360° 2in1
	323.50 *232.3*17.7mm
	A, D metal, C Plastic, B side : TP
	14" 16:9
LCD	1920*1080 FHD
	G+G
TP	GT7387P/EL5515 (optional)
	MAPM14395C (support MPP)
Battery	Lithium-ion polymer battery; 7.6V/45Wh; 6-8 Hours
CPU	i7-1065G7, Quad-Core; Speed: 1.3GHz~3.9GHz
	i5-1035G4, Quad-Core; Speed: 1.1GHz~3.7GHz
GPU	i5-1035G1, Quad-Core; Speed: 1.0GHz~3.6GHz
RAM	i3-1005G1, Dual-Core; Speed: 1.2GHz~3.4GHz
	Gen 11 Graphics Up to 64EU
SSD	4GB/6GB/8GB/12GB/ 16GB LPDDR4x
Camera	128GB/256GB/ 512GB
Speaker	1.0 MP
Network	WIFI AC 1x1or 2x2 intel StonePeak 3165/9461/9560
Memory card socket	
USB interface	Support SDHC/SDXC
Headphone jack	USB3.0x1
DC connector	⌀ 3.5mm standard headphone jack
HDMI interface	⌀ 3.5mm power connector
Type-c interface	HDMIx1 type A
Keyboard	Full function Type-c or Only data Type-c
Mouse	Backlit keyboard (optional)
Type	USB、BT Expunable Wired / Wireless Supportive
Type	DC ⌀ 3.5mm 19V/3A
Operating System: Windows10/Linux	

Taalpata - Mini PC

Features:

CPU: Core I5 6360U, Dual-core quad threads 2.0-3.1GHZ

Support Windows 7/8/10 Linux

HDMI+VGA+RJ45+6*USB+PS2+RJ45-COM

Fan Cooling, compact design

Specification

Item name	K5-6Gen-C7A
Processor	Core I5 6360U, Dual-core quad threads 2.0-3.1GHZ
Processor graphics	Intel® Iris® Graphics 540
Memory(RAM)	DDR3L SO-DIMM Socket (Up 8G,1333MHz)
Storage	1X Mini-PCIE for Msata
LAN	1* Gigabit Ethernet ports by Realtek RTL8111E
Side-Panel Connectors	2*USB2.0
Rear-Panel Connectors	HDMI+VGA+RJ45+6*USB+PS2+RJ45-COM
Dimension	18.5*18.5*3.35CM
Support system	Support Windows 7/8/10 Linux

I/O Port

Product Packing List

Qty	Material List
1	Sharevdi MINI PC K5-6Gen-C7A
1	12V/3A Power Adapter

1	bracket

TAALPATA YOGA-KHO

2in1 Laptop/Notebook Touch Screen-11.6 inch

Product Form	Convertible
Dimensions	292mm*210mm*21.8mm
Wight	TBD
Screen Size	11.6 inch
Screen Resolution	1366*768 (HD)/1920*1080 (FHD) 16:10
Craft	G+G
IC	GT7385P (HLK PASS)
Touch PEN	SPEN-ASU-01 (support MPP)
Battery	Lithium-Ion Polymer Battery
	7.4V/5500mAh
	Endurance time:6h
CPU	Intel Gemini Lake, Celeron N4120, Quad-Core, Speed: 1.1GHz~2.6GHz
GPU	Intel® HD Graphics 600
RAM	8GB DDR4
SSD	128 GB SSD
HDD	Support 2.5mm SATA
Camera	Front:2MP USB (with LED)
Camera	Back:5MP USB (optional)
Speaker	Built-in 8Ω/1.5W speaker x 2
Cortana	Built-in DMIC*2
light sensor	Yes
Gsensor	Yes
LED	power, capslock, function LED
LED	charger red and charger full green
WIFI	802.11b/g/n or ac/a/b/g/n+BT
Ethernet	RJ45
Memory card socket	Micro TF
SIM Card	Micro SIM x1
Type-C interface	Full function type-C
USB interface	USB3.0 x2
Headphone jack	φ 3.5mm standard headphone jack
DC	DC 3.5mm
HDMI	Standard HDMI
Keyboard	Support
Power adapter	DC φ 3.5mm 12V/2A
Operating System	Support Windows10

Color	Black
LCD	21.5"1920x 1080 IPS
CPU	N4100
Memory	DDR4 4GB
SSD Disk	128GB SSD
Video Card	Integrated Card
WIFI	IEEE 802.11b/g/n 2.4G+5G
Speaker	Inbuilt speakers 5W x 2
Power	19V 4.74A
I/O jack	USB 3.0×4 , USB 2.0*2, 1xHDMI,1xRJ45,3.5mm Audio Jack x1;Mic*1; VGA*1;DC Jackx1
	Audio*2、RJ45、micro SD card slot
OS	WIN10/Linux
Size	542.4x177x411.2(mm)
